

NURTURING HEARTS IN HARD PLACES

with

DARRON HARLEY

How does the Nurtured Heart Approach work in inner-city settings? Is the language of NHA too “soft” for the people that I love, serve and/or live with? This presentation will detail how with NHA, anyone can promote change anywhere...even in areas where change appears most challenging.

Darron Lee Harley Sr. is a Public Speaker, Trainer and Program Director for Camden DREAMS, a permanent living support program for young adults between the ages of 18 - 25. He also has the privilege to train educators, social workers, youth workers, professionals and parents in various disciplines. Offering Nurtured Heart Approach, Mental Health First Aid, Anti Racism, Self-Care training - his presentations and coaching have been effective in changing the lives of individuals and the cultures of entire organizations. Darron lives in Williamstown, NJ with his wife and two children.
