MERCED UNION HIGH SCHOOL DISTRICT

2008-09 Fiscal Year First Period Interim Budget Report General Fund Budget -- Supplemental Narrative (Actuals through October 31, 2008)

A. REVENUES

Total projected General Fund revenue and transfers total \$91,714,772

1) Revenue Limit

Total projected Revenue Limit income is \$68,373,250.

The first interim budget projects a net increase of \$183,459 in revenue limit income compared to the July 1st budget, representing an increase of .3%. The net change in projected revenue limit income is primarily due to an adjustment made to community day school average daily attendance (ADA).

ADA for the original budget was based on prior year ADA of 10,060 adding 60 projected ADA for the new community day school totaling 10,120 for projected P-2 ADA. On October 1, 2008 the district's enrollment count (CBEDS) totaled 10,611, 69 students less than last year's enrollment count of 10,680. Based on this new information an adjustment was made to the projected P-2 ADA at first interim. The revised P-2 ADA was determined by taking last year's P-2 ADA and dividing it by last year's enrollment count to calculate a factor of .94195. This factor was then multiplied by the current year's enrollment count to project a first interim P-2 ADA of 9,995, down 65 ADA from prior year P-2 ADA.

The State allows a district in declining enrollment to be funded for one year at the prior year P-2 ADA; therefore, at first interim revenue limit funding will be based on the 2007-08 P-2 ADA of 10,060.

The 2008-09 statewide average COLA is 5.66%, with a deficit of 4.71%. However, since the state is in fiscal crisis there has been discussion that the deficit will be increased to 5.66%. There is also a possibility of mid-year cuts to state revenues. At first interim the District is fairly certain that there will be an increase in the deficit, therefore the District's first interim budget will reflect no new revenue limit funding (i.e., no COLA). There is no equalization aid for 2008-09.

2) Federal Revenues

Total projected Federal Revenue is \$6,497,066.

The first interim budget indicates a net increase of \$399,828 in federal income as compared to the July 1st budget estimates.

Noteworthy changes from the July 1st budget in budgeted federal revenue (including current year allocations, deferred revenue, and carryovers) include: an increase of \$119,968 in Title 1 Part A Basic Grant; an increase of \$168,086 in NCLB Corrective Action Plans; an increase in Title II, Part D Technology of \$23,462; and, an increase of \$87,110 in the Federal Gear-Up Grant. Any increase/decrease in budgeted revenues for categorical programs is offset in budgeted expenditures for categorical programs.

3) State Revenues (other than Revenue Limit)

Total projected Other State Revenue is \$12,807,490.

The first interim budget indicates a net decrease of \$429,541 in Other State Revenues as compared to July 1st budget estimates.

Noteworthy changes from the July 1st budget in budgeted Other State Revenue (current year allocations and carryovers) include: a decrease of \$210,187 for Medi-Cal Administrative Activities (MAA); a net decrease of \$516,471 for community day school additional funding; an increase of \$28,816 in Lottery Prop 20 Instructional Materials; an increase of \$128,368 for CAHSEE Intensive Instruction and Services; an increase of \$34,066 for Instructional Materials Realignment (IMFRP); an increase of \$30,383 Career Technical Education Equipment; an increase of \$19,256 in State Lottery Revenue; and an increase of \$136,116 for supplemental hours summer school.

Any increase or decrease in budgeted revenues for categorical programs is offset on the expenditure side for categorical programs when possible.

4) Other Revenues

Total projected Other Local Revenue is \$1,689,584.

Total projected Transfers In are \$2,347,382.

Other budgeted revenue decreased \$238,838 since the July 1st budget. The District is budgeting \$444,000 at first interim as General Fund interest income for the 2008-09 fiscal year, a decrease of \$282,000 from the original budget. The District did not qualify for participation in the Tax Revenue Anticipation Notes (TRANS) program this year, thus no TRANS interest income is budgeted.

Projected transfers into the General Fund total \$2,347,382 representing a decrease of \$200,000 from the July 1st budget. Budgeted transfers include a transfer from the Cafeteria Fund of \$300,000 representing the Board-approved temporary transfer to cover as-needed cash flow shortages in the Cafeteria Fund; \$3,000 from the Cafeteria Fund for potential interest on the temporary transfer; and a transfer from Fund 17, Special Reserve Other Than Capital Outlay of \$2,044,382 to pay STRS for the 2008

Certificated Golden Handshake. The July 1, 2008 budgeted transfer of \$200,000 from the Child Development Fund back into the General Fund for the Board-approved temporary cash transfer was removed at first interim. It was determined that this transfer is no longer necessary due to the funds projected carryovers.

B. EXPENDITURES

General Fund expenditures and transfers are projected to total \$93,749,667.

1) Certificated Salaries

Total budgeted for Certificated Salaries is \$41,650,646.

Budgeted certificated salaries show a net decrease of \$209,147 compared to the July 1st budget. All positions in position control as of October 22, 2008 are reflected in this budget. After position control was rolled for the July 1st budget, routine refinement in position control has taken place resulting in a more accurate reflection of anticipated labor costs. Certificated Full-Time Equivalents (FTEs) were increased by 6.4 reflecting added positions for Sequoia High School. Since the July 1st budget was adopted, a negotiated settlement with the certificated bargaining unit has not been finalized.

2) Classified Salaries

Total budgeted for Classified Salaries is \$13,544,743.

The first interim budget displays a net decrease of \$409,213. Since the July 1st budget was adopted, a negotiated settlement with the classified bargaining unit has not been finalized. Notable budgeted changes in position control include the addition of the following fulltime positions: one Child Welfare and Attendance Liaison; one 6 hour Custodian; one Registrar/School Secretary; one Campus Liaison/Instructional Aide; one 6 hour Campus Liaison/Instructional Aide; and one Bus Driver. A 3.50 hour Intervention Specialist and a 3.50 hour Cafeteria Helper were also added to position control at first interim. After position control was rolled for the July 1st budget much refinement in position control has taken place. As a result, the amount budgeted for salaries and benefits should now be a more accurate reflection of actual anticipated classified salary costs.

3) Employee Benefits

Total budgeted for Employee Benefits is \$19,774,188.

Budgeted expenses for employee benefits increased \$11,054 from the July 1st budget.

The rates budgeted for statutory benefits are the same countywide with the exception of workers' compensation, which, for the MUHSD, will be \$1.6802 per \$100 of payroll, compared to \$1.7015 the prior year. State Unemployment Insurance rate is 0.30%; Social Security rate is 6.20% and Medicare rate is 1.45%. The PERS rate is budgeted at 9.428%; however, the difference in the current PERS rate and 13.02% is recaptured by the State through PERS revenue limit reduction. The District's contribution to STRS is budgeted at 8.25%.

C. HEALTH CARE BENEFITS

All employees are provided the opportunity to pay health and welfare premium contributions on a pre-tax basis under an Internal Revenue Code Section 125 plan.

Classified and management staff are provided district-paid life and accidental death and dismemberment insurance in the amount of \$10,000. The cost of \$18.00 per year per employee is included in the budget.

CERTIFICATED NON-MANAGEMENT EMPLOYEES

Each eligible certificated employee had the choice of three different health care plans and two different dental plans, providing a total of six different combinations from which to choose. As of October 1, 2008 and through September 30, 2009, the annual base premiums for the six plans are as follows:

• Premium medical/Premier dental	\$17,187.60
• Premium medical/PPO dental	\$16,719.60
• Standard medical/Premier dental	\$14,353.20
• Standard medical/PPO dental	\$13,885.20
• Basic medical/Premier dental	\$9,301.20
• Basic medical/PPO dental	\$8,833.20

The base premium for Blue Cross health care and prescription drug coverage is reduced by 25% for employees who are married to other benefited district employees. In addition there is a savings generated by employees who choose a health care package with premiums below the cap. It has been agreed that all certificated employees who receive health care benefits and pay a portion of premiums will share any savings resulting from the married-couple premium reduction and from savings generated by employees in the health care group that choose a plan with premiums below the cap. Therefore, the effective premium rates are reduced for all benefited employees based upon the number of married-couple employees in each health/dental plan and the savings generated by individuals selecting a plan below the cap. Based upon the above base premiums and the aforementioned savings, the effective premium for October 1, 2008 through September 30, 2009 for each plan is as follows:

• Premium medical/Premier dental	\$16,693.54
• Premium medical/PPO dental	\$16,225.49
• Standard medical/Premier dental	\$13,859.17
• Standard medical/PPO dental	\$13,391.12
• Basic medical/Premier dental	\$9,301.20

- Basic medical/PPO dental \$8,833.20

Each certificated employee is responsible to pay the difference between the effective premium and the cap. Based upon the effective annual premium shown above and the current cap for eligible certificated employees of \$9,300, the amount each individual employee pays on an annual basis for health care premiums is shown below. The employee contribution to premiums is deducted from eleven pay checks, from October 1, 2008 through September 30, 2009 (no deduction from July warrants). Certificated employee annual contribution to health care premiums:

- Premium medical/Premier dental \$7,393.54
- Premium medical/PPO dental \$6,925.49
- Standard medical/Premier dental \$4,559.17
- Standard medical/PPO dental \$4,091.12
- Basic medical/Premier dental \$0.00
- Basic medical/PPO dental \$0.00

The current budget includes an expense for non-management certificated staff health and welfare benefit premiums at the \$9,300 cap per eligible employee, effective October 1, 2008.

CLASSIFIED NON-MANAGEMENT EMPLOYEES

Each classified employee had the choice of three different health care plans and two different dental plans, providing a total of six different combinations from which to choose. Classified health care packages differ from the plans available to certificated employees. For October 1, 2008 through September 30, 2009, the annual base premiums for the six plans are as follows:

- Premium medical/Premier dental \$14,648.40
- Premium medical/PPO dental \$14,132.40
- Standard medical/Premier dental \$13,856.40
- Standard medical/PPO dental \$13,340.40
- Basic medical/Premier dental \$9,356.40
- Basic medical/PPO dental \$8,840.40

The base premium for Blue Cross health care coverage and prescription drug coverage is reduced by 25% for employees who are married to other benefited district employees. It has been agreed that all classified employees who receive health care coverage share any savings resulting from the married-couple premium reduction. In addition, any savings resulting from any plans where the premium is below the District-paid cap, that difference will be shared with eligible benefited employees by reducing the employee's portion of premium payment. Therefore, the aforementioned savings reduces the premium rates for all benefited employees when the premium for the plan they selected exceeds the District-paid cap. Based upon the above base premiums and any savings, the effective premium for October 1, 2008 through September 30, 2009 for each plan is as follows:

- Premium medical/Premier dental \$14,270.86
- Premium medical/PPO dental \$13,754.85
- Standard medical/Premier dental \$13,478.86

• Standard medical/PPO dental	\$12,962.85
• Basic medical/Premier dental	\$9,356.40
• Basic medical/PPO dental	\$8,840.40

As a result of a negotiated settlement with the classified bargaining unit, effective October 1, 2006, the amount of premium paid by the District (i.e., the cap) is \$10,209 per year.

Each classified employee is responsible to pay the difference between the effective premium and the cap. Based upon the effective annual premium shown above and the current cap for eligible classified employees of \$10,209, the amount each individual employee pays on an annual basis for health care premiums is shown below. The employee contribution to premiums is deducted from eleven pay checks, from October 1, 2008 through September 30, 2009 (no deduction from July warrants). Classified employee annual contribution to health care premiums:

• Premium medical/Premier dental	\$4,061.86
• Premium medical/PPO dental	\$3,545.85
• Standard medical/Premier dental	\$3,269.86
• Standard medical/PPO dental	\$2,753.85
• Basic medical/Premier dental	\$0.00
• Basic medical/PPO dental	\$0.00

The current budget includes an expense for non-management classified staff health and welfare benefit premiums at the current cap of \$10,209 for each eligible employee, effective October 1, 2008.

MANAGEMENT

For health care benefits, management staff must “coat-tail” to a plan available to the certificated or classified employees. Management staff had a choice among the options available to the certificated bargaining unit employees. Premiums for health care plans available to management employees are the same as the rates outlined in the Certificated Non-Management Employee section above.

For 2008-09 the amount of premium paid by the District (i.e., the cap) for management employees is \$9,300 per eligible employee per year. Each management employee is responsible to pay the difference between the effective premium and the cap. The amount of contribution towards health insurance premiums for management employees is the same as shown above for certificated employees.

RETIREE BENEFITS

Retiree health care coverage is specified in contract language and information below is only intended to be a summary and does not replace nor supersede contract language.

Retirees receive health care and prescription medication coverage, excluding dental and vision coverage (retirees can choose to have dental and vision coverage with premiums paid by the retiree). Prior to October 1, 2005, the District paid a composite premium rate for health care and prescription medication coverage for retirees that was the same premium rate as paid for active benefited employees. A composite rate

structure provides for one rate regardless of the number of individuals insured in a family. Beginning October 1, 2005, benefit premiums for retirees was based upon a tiered rate structure. Under a tiered rate structure there are three separate rates. One rate if only one individual is covered (i.e., the retiree); another rate if two people are covered (i.e., the retiree and spouse); and a third rate if more than two people are covered (i.e., retiree, spouse and dependent child).

If the retiree has attained the age of 55 and has been employed by the District for a minimum of 8 years as a certificated employee, or 15 years as a classified employee, the District pays premiums for the retiree for up to 10 years, or until the retiree attains Medicare age whichever occurs first. For classified non-management employees hired on or after July 1, 2004, the employee must attain the age of 60 years to be eligible for retiree health care benefits. For certificated non-management employees hired after July 1, 2004, the District will pay premiums for a maximum of five (5) years.

Classified staff meeting the longevity minimum, qualify under the contract and who retire prior to September 30, 2006 are entitled to the higher cost classified health benefit package with the full premiums paid for the retiree and dependents by the District until Medicare age of the employee not to exceed a maximum of 10 years if hired prior to July 1, 2004, subject to future negotiations. For qualified classified retirees, who retired between October 1, 2006 and September 30, 2007, the District pays for medical and prescription benefit premiums for retiree and dependents not to exceed the active employee cap. For qualified classified retirees, who retire after September 30, 2007 the District will pay the insurance premium for the retired employee only (no dependent coverage) not to exceed the active employee cap. Health and welfare benefits for classified employees are subject to future negotiations.

Certificated staff with longevity of service as outlined above who elected to retire before June 30, 2003 has the higher-cost benefit health and prescription package premiums paid by the District for themselves and eligible dependent(s). Eligible certificated employees who retire between July 1, 2003 and June 30, 2007 will receive the "standard" certificated benefit package for themselves and dependents with premiums paid by the District until the retiree reaches age 65 or qualified for Medicare, not to exceed a maximum of 10 years if hired before July 1, 2004. For qualified certificated retirees, who retire after July 1, 2007, medical and prescription insurance premiums for the retiree only will be paid by the District up to the active cap.

All programs are charged back for retirees' benefit costs in accordance with generally accepted accounting practices.

1) Other Expenditures and Transfers

Budgeted expenditures in 4000, 5000, and 6000 accounts total \$17,892,136.

Budgeted expenditures in 7000 accounts, other than transfers, total \$387,954.

Budgeted transfers out of the General Fund total \$500,000.

The first interim budget reflects a net increase of \$2,171,685 in the 4000, 5000 and 6000 accounts. Expenditures from the 4000, 5000 and 6000 accounts are for most

expenses not associated with salaries and benefits. Increases in budgeted expenditures are due primarily to carryovers, purchases made prior-year but not received and paid for until the current budget year, increased budgeted expenses resulting from increased budgeted revenue especially restricted Federal and State funding, and transfers made from labor and benefit accounts.

The 7000 accounts, which include direct support and indirect costs, show no change from the July 1st budget.

Budgeted transfers out of the General Fund decreased \$1,000,000. The net decrease is due to a decrease of \$400,000 from the original budget of \$600,000 transferred to Deferred Maintenance, Fund 14; a decrease of \$400,000 in the amount transferred to Fund 20, Special Reserve, Post Employment Benefits; and a decrease of \$200,000 originally budgeted to the Child Development Fund.

Budgeted transfers include: (1) \$200,000 to Deferred Maintenance Fund as a projected state match requirement; and, (2) \$300,000 to the Cafeteria Fund as temporary transfer to meet cash flow needs.

There are no major multi-year commitments beyond those depicted in the Summary Review of the 2008-09 budget.

D. FUND BALANCE, RESERVES

General Fund Beginning Balance (July 1, 2008) was \$ 11,952,556.

General Fund Ending Balance (June 30, 2009) is projected to be \$ 9,917,660.

Total projected General Fund revenue, including budgeted transfers into the General Fund, in the first interim budget is \$91,714,772 and projected expenditures, including transfers out of the General Fund, total \$93,749,667. For the 2008-09 budget year, budgeted expenses exceed budgeted revenue by \$2,034,895 as reported in the first interim budget. When expenses exceed revenue in a given fiscal year, concern is appropriate and careful review is befitting. To lessen the concern for deficit spending in the budget year, listed below are either one-time 2008-09 budgeted expenses or expenses to be paid from carryover not reported as current year revenue but as part of the ending fund balance:

- ❖ \$139,295 site and program carryovers including
 - \$10,056 for "Closing the Gap"
 - \$129,239 school site carryover
- ❖ \$3,793,030 legally restricted categorical carryover
- ❖ \$634,230 retiree self-pay health insurance premiums

The above list totals \$4,566,555. The above identified one-time expenses will be drawn from the beginning General Fund balance and not from current year revenue. Inasmuch as the identified one-time expenses surpass the amount by which total budgeted expenses exceed total budgeted revenue, there is no *net* deficit spending projected at this time.

The District is required to maintain a minimum 3% reserve for economic uncertainties. Calculated on current budgeted expenditures, the minimum required 3% reserve is \$2,812,490. Adding in stores (warehouse inventory) and revolving fund, the total District minimum reserve is \$3,032,490.

The District's General Fund 2008-09 projected ending fund balance of \$9,917,660 exceeds the District's minimum reserve requirement. It is important to understand that the ending fund balance is one-time money and should not be used for any on-going expenses.

It is important to emphasize that concern continues about the State of California's budget climate. Due to these concerns the District is designating \$3,092,140 of the ending balance to offset the possibility of State mid-year cuts. It is recommended by the Deputy Superintendent that the District use great caution and restraint when increasing expenses, especially on-going expenses.

2008-09 First Period Interim Budget Report

Supplemental Narrative For Funds Other Than General Fund (Actuals Through October 31, 2008)

This narrative will outline significant changes to funds, other than the General Fund, which have occurred since the July 1, 2008 budget that was Board adopted on June 25, 2008.

It is noteworthy that at the time the July 1st budget was adopted, each fund's beginning balance was projected inasmuch as actual prior-year ending balances were not known. As a result, beginning fund balances are adjusted at the first interim to reflect actuals.

A. ADULT FUND 11.0

The beginning balance was \$885,115, an increase of \$105,498 from the July 1st budget.

Total budget-year revenue is projected to be \$2,376,033, no increase from the July 1st budget.

Total expenses are budgeted at \$2,664,783 a decrease of \$154,011 over the July 1st budget. Increased expenses resulted from a budget decrease of \$153,998 in labor costs.

The ending balance is projected to be \$596,365.

B. CHILD DEVELOPMENT FUND 12.0

The beginning fund balance was \$594,939, an increase of \$65,109 from the July 1st budget estimate.

Projected revenue is \$504,866, a net decrease of \$197,135 from the July 1st budget.

Expenses are budgeted at \$569,714 a decrease of \$161,776 from the July 1st budget.

The projected ending fund balance is \$530,091.

C. CAFETERIA FUND 13.0

The beginning balance was \$241,338, a decrease of \$27,261 from the July 1st budget estimate.

Total budget-year revenue is projected to be \$3,605,091, a decrease of \$3,080 from the July 1st budget.

Total expenses are budgeted at \$3,566,757, reflecting a net increase of \$10,533 from the July 1st budget.

The ending balance is projected to be \$279,671.

D. DEFERRED MAINTENANCE FUND 14.0

The beginning balance was \$857,171, an increase of \$241,669 from the July 1st budget.

Total budget-year revenue is projected to be \$220,000 representing a \$400,000 decrease from the July 1st budget. At first interim it is unknown if there will be a state deferred maintenance contribution.

Total expenses are budgeted at \$682,370, an increase of \$150,380 change from the July 1st budget.

The ending balance is projected to be \$394,800 designated for future deferred maintenance projects.

E. PUPIL TRANSPORTATION EQUIPMENT FUND 15.0

The beginning balance was \$177,134, an increase of \$852 from the July 1st budget.

Revenue is projected to be \$5,500, a decrease of \$1,500 change from the July 1st budget due to a decrease in interest income.

The ending balance is projected to be \$82,634.

F. SPECIAL RESERVE FUND 17.0

The beginning balance was \$18,039,619, a decrease of \$412,106 from the July 1st budget.

Beginning in 2001-02, the District deposited money in this fund to mitigate the unfunded liability for retiree health care premiums. Money for this purpose is *designated* in this fund for retiree benefits. Previously, money to mitigate the unfunded liability was placed in the Retiree Benefit Fund. However, due in part to GASB 34 and opinions expressed by a representative from the California Department of Education and by the District's auditor, the Retiree Benefit Fund, being a fiduciary fund, was not the appropriate fund at this time for money designated to mitigate the unfunded retiree benefit liability. Therefore, the District's Governing Board approved on March 13, 2002 and June 12, 2002 to transfer money for mitigation of unfunded accrued liability for retiree health care benefit premiums from the Retiree Benefit Fund to the Special Reserve Fund. Further background information on accrued liability for retiree health care benefits is provided below.

In the past, Education Code 42140 required that if a school district provided health and welfare benefits for employees upon their retirement and those benefits continued after the employee reached 65 years of age, an actuarial study was required to be completed at least every three years to determine the accrued but unfunded costs of those benefits.

More recently, GASB 45 has superseded the requirements of Education Code 42140. The Government Accounting Standards Board (GASB) issued Statement Number 45, Accounting and Financial Reporting by Employers for Post-Employment Benefits Other Than Pensions, which requires public agencies, including school districts, to report their costs and obligations for post-employment healthcare and other post employment

benefits (called "OPEBs"). The philosophy behind this rule is that costs of these post-employment benefits should be recognized as a current cost during the working years of an employee (like CalPERS or STRS pension) rather than after they retire. GASB 45 requires school districts to identify and disclose OPEBs as an expense and liability on their financial statements for the first time. As a result, even though Education Code 42140 is no longer in effect, GASB 45 will require school districts to have an actuarial study to determine the unfunded liability for their financial statements. The District had an actuarial study performed in 1997, 2000, 2003, 2006, and 2008.

Geoffrey Kischuk of Total Compensation Systems, Inc. completed the most recent actuarial study in June 2008. As reported to the District's governing board on October 8, 2008, the estimated accrued past-service liability for retiree health care benefits was \$13,572,787 as of June 23, 2008. Per the District's unaudited actuals for 2007-08 and approved by the MUHSD governing board on September 8, 2008, the amount designated for the past service retiree liability in the Special Reserve Fund as of June 30, 2008 was \$11,902,046. As a result, the District had an unfunded past service retiree benefit liability of \$1,670,741 as of July 1, 2008. 2008-09 Interest income received in Fund 17 will be applied to the past service retiree liability. In addition, the District has created Fund 20 Special Reserve for Postemployment Benefits by transferring \$400,000 from Fund 17 to fund the GASB 45 annual required contribution.

In November 1998, the District agreed to offer the State Teachers' Retirement System (STRS) "Golden Handshake" retirement option to certificated employees who retire in 2002, 2005 or 2008. The option would provide two additional years of service credit for the retiree. The District designated money in the Special Reserve Fund for payment to STRS for the 2008 certificated Golden Handshake. A transfer of \$2,044,382 was made to the General Fund from Fund 17 at the July 1, 2008 budget.

Other designations in the Special Reserve Fund include money for budget stabilization to assist the district in meeting fiscal obligations should projected revenues not materialize, if expenses exceed estimates and/or if unexpected expenses arise; and funds received from Mandated Cost reimbursements being held pending potential state audits.

Revenue is projected to be interest income of \$510,179.

No expenditures can be made directly from this fund. When money in this fund is to be expended, the Board must approve a transfer to place the money in the fund from which expenditures can be executed.

The ending balance is projected to be \$16,105,416 with \$2,650,000 designated for budget stabilization, \$43,191 for projected additional future certificated Golden Handshake expenses, \$12,012,225 designated for accrued past service retiree benefit costs liability, \$300,000 designated for technology and \$1,100,000 for possible mandated cost audit.

SPECIAL RESERVE FUND FOR POSTEMPLOYMENT BENEFITS 20.0

A transfer of \$400,000 from Fund 17 Special Reserve for Other Than Capital Outlay Projects was made to Fund 20 to fund the GASB 45 first annual required contribution (ARC).

G. BUILDING FUND -- BOND PROCEEDS 21.0

The beginning balance was \$168,017, a decrease of \$552 from the July 1st budget. Revenue includes \$5,200 for interest income, a decrease of \$2,800 from the July 1st budget. No expenses are budgeted. The projected ending balance is \$173,217.

H. DEVELOPER FEE FUND 25.0

The beginning balance was \$4,047,923, an increase of \$1,293,080 to the July 1st budget. Total budget-year revenue is projected to be \$435,567, a decrease of \$14,433 in interest income from the July 1st budget. Typically, income in this fund is derived primarily from developer fees and interest income. It is note worthy that projected income from developer fees are significantly reduced from prior year due to the slowdown in housing development.

Total expenses are budgeted at \$2,190,435 representing an increase of \$678,421 from the July 1st budget. Budgeted expenses include the cost to rent or lease-purchase 64 portable classrooms. The number of portables at the sites include: 14 at AHS including 6 owned and 8 rented; 16 at BCHS including 6 rented and 3 owned and 7 lease-purchase; 22 at GVHS including 15 rented and 7 lease-purchase; 11 at LHS including 1 rented and 10 owned; and 27 at MHS including 17 rented, 8 owned and 2 lease-purchase. Budgeted expenses also include a portion of the architectural fees for the expansion of Livingston High School and the new school site, and costs of environmental assessment of both sites. Also any attorney fees associated with developer fee projects and other associated fees with land acquisition or analysis would be paid from this fund.

The ending balance is projected to be \$2,293,056 and is designated for future facility projects.

I. SCHOOL FACILITY FUND 35.0

The beginning fund balance was \$1,300,231, an increase of \$11,601 from the July 1st budget estimate.

Estimated income is \$30,000 an increase of \$17,000 in interest income from the July 1st budget.

Expenses are budgeted at \$995,973 a net increase of \$24,511.

Money in this fund is designated for partial payment for the renovation of swimming pools at AHS and MHS and design plans for swimming pools at BCHS and GVHS funded under special state grants. Budgeted expenses also include a portion of the architectural fees for the expansion of Livingston High School and preliminary testing for the new school site.

The projected ending fund balance is \$334,258 which is designated for future facility projects.

J. SPECIAL RESERVE FOR CAPITAL OUTLAY FUND 43.0

The Board established the *Special Reserve Fund for Capital Outlay Projects* on December 10, 1997. Money in this fund is for capital outlay projects as approved by the Governing Board.

The beginning balance was \$6,924,217, an increase of \$3,134,150 from the July 1st budget.

Budgeted expenses are \$2,957,000, no increase from the July 1st budget.

The ending balance is projected to be \$4,032,217 that is designated for future facility needs.

K. BOND INTEREST AND REDEMPTION FUND 51.0

This fund was required as a result of the passage of the local general obligation bond in 1999. Although the school district reports fiscal activity in this fund, actual income and expenses are processed by the Merced County Treasurer's office. This fund is used to deposit property tax revenue related to the local general obligation bond and to report the expense of payments to the bondholders. Income and expenses will be listed as reported by the bond underwriters or bond trustee.

The beginning fund balance was \$2,555,096.

Projected revenue is \$1,963,100.

Budgeted expenses are \$1,637,500 yielding a projected ending fund balance of \$2,880,696 that is designated for future bond payments.

L. FIELD ACT SAFETY BUILDING FUND 53.0
