MERCED UNION HIGH SCHOOL DISTRICT

2010-11 Fiscal Year First Period Interim Budget Report General Fund Budget -- Supplemental Narrative (Actuals through October 31, 2010)

A. REVENUES

Total projected General Fund revenue and transfers total \$87,937,303.

1) Revenue Limit

Total projected Revenue Limit income is \$61,265,584.

The first interim budget projects a net increase of \$3,397,421 in revenue limit income compared to the July 1st budget, representing an increase of 5.9%. The net increase in revenue limit income is due to the elimination of the negative revenue limit adjustment originally enacted in the Governor's May Revise and the change in the deficit from 18.355% to 17.963%. The 2010-11 statewide average COLA is (.39%).

2) Federal Revenues

Total projected Federal Revenue is \$11,549,672.

The first interim budget indicates a net increase of \$2,177,859 in federal income as compared to the July 1st budget.

Noteworthy changes from the July 1st budget in budgeted federal revenue (including current year allocations, deferred revenue, and carryovers) include: the receipt of the Jobs Education Bill Grant of \$2.3 million and the addition of \$284,731 for two new federal grants, Engineering Pathways and Readiness and Emergency Management. Any increase/decrease in budgeted revenues for categorical programs is offset in budgeted expenditures for categorical programs.

3) State Revenues (other than Revenue Limit)

Total projected Other State Revenue is \$11,039,103.

The first interim budget indicates a net decrease of \$859,768 in Other State Revenues as compared to the July 1st budget.

Changes from the July 1st budget in budgeted Other State Revenue (current year allocations and carryovers) include the adjustment of the revenue object code for Community Day School from local revenue to revenue limit transfer object code.

Any increase or decrease in budgeted revenues for categorical programs is offset on the expenditure side for categorical programs.

4) Other Revenues

Total projected Other Local Revenue is \$1,429,943.

Total projected Transfers In are \$2,653,000.

Other budgeted local revenue decreased \$22,070 since the July 1st budget. The District is budgeting \$72,000 at first interim as General Fund interest income for the 2010-11 fiscal year. The District did not qualify for participation in the Tax Revenue Anticipation Notes (TRANS) program this year, thus no TRANS interest income is budgeted.

Budgeted transfers into the General Fund include a transfer from the Cafeteria Fund of \$300,000 representing the Board-approved temporary transfer to cover as-needed cash flow shortages in the Cafeteria Fund; and, \$3,000 from the Cafeteria Fund for potential interest on the temporary transfer. Included also is a temporary transfer of \$2,100,000 from the Special Reserve – Other than Capital Outlay Fund for General Fund cash flow purposes. In addition a transfer of \$250,000 from the Special Reserve for Postemployment Benefits Fund was budgeted to offset “pay-as-you-go” Retiree Health Benefits.

B. EXPENDITURES

General Fund expenditures and transfers are projected to total \$89,851,600.

1) Certificated Salaries

Total budgeted for Certificated Salaries is \$40,410,125.

Budgeted certificated salaries show a net increase of \$1,728,096 compared to the July 1st Budget. All positions in position control as of November 10, 2010 are reflected in this budget. After position control was rolled routine refinement in position control has taken place resulting in a more accurate reflection of anticipated labor costs. Since the July 1st budget was adopted, a negotiated settlement with the certificated bargaining unit has been finalized with no adjustments made to the Certificated Salary Schedules.

2) Classified Salaries

Total budgeted for Classified Salaries is \$13,191,190.

The first interim budget displays a net increase of \$1,445. A negotiated settlement with the classified bargaining unit has been finalized with no changes made to the Classified Salary Schedules. After position control was rolled for the July 1st budget much refinement in position control has taken place. As a result, the amount budgeted for salaries and benefits should now be a more accurate reflection of actual anticipated classified salary costs.

3) Employee Benefits

Total budgeted for Employee Benefits is \$16,511,731.

Budgeted expenses for employee benefits a net increase of \$494,232 from the July 1st budget.

The rates budgeted for statutory benefits are the same countywide with the exception of workers' compensation, which, for the MUHSD, will be \$.9898 per \$100 of payroll, compared to \$1.1385 the prior year. State Unemployment Insurance rate is 0.72%; Social Security rate is 6.20% and Medicare rate is 1.45%. The PERS rate is budgeted at 10.707%; however, the difference in the current PERS rate and 13.02% is recaptured by the State through PERS revenue limit reduction of 2.313%. The District's contribution to STRS is budgeted at 8.25%.

C. HEALTH CARE BENEFITS

All employees are provided the opportunity to pay health and welfare premium contributions on a pre-tax basis under an Internal Revenue Code Section 125 plan.

Classified and management staff are provided district-paid life and accidental death and dismemberment insurance in the amount of \$10,000. The cost of \$18.00 per year per employee is included in the budget.

CERTIFICATED NON-MANAGEMENT EMPLOYEES

Each eligible certificated employee had the choice of four different health care plans and two different dental plans, providing a total of eight different combinations from which to choose. As of October 1, 2010 and through September 30, 2011, the annual base premiums for the eight plans are as follows:

• Premium medical/Premier dental	\$18,954.00
• Premium medical/PPO dental	\$18,594.00
• Standard medical/Premier dental	\$15,702.00
• Standard medical/PPO dental	\$15,342.00
• Base medical/Premier dental	\$13,722.00
• Base medical/PPO dental	\$13,362.00
• Basic medical/Premier dental	\$10,458.00
• Basic medical/PPO dental	\$10,098.00

The base premium for Blue Cross health care and prescription drug coverage is reduced by 25% for employees who are married to other benefited district employees. In addition there is a savings generated by employees who choose a health care package with premiums below the cap. It has been agreed that all certificated employees who receive health care benefits and pay a portion of premiums will share any savings resulting from the married-couple premium reduction and from savings generated by employees in the health care group that choose a plan with premiums below the cap. Therefore, the effective premium rates are reduced for all benefited employees based upon the number of married-couple employees in each health/dental plan and the savings generated by individuals selecting a plan below the cap. Based upon the above base premiums and the aforementioned savings, the effective premium for October 1, 2010 through September 30, 2011 for each plan is as follows:

• Premium medical/Premier dental	\$18,562.56
• Premium medical/PPO dental	\$18,202.56
• Standard medical/Premier dental	\$15,310.56
• Standard medical/PPO dental	\$14,950.56
• Base medical/Premier dental	\$13,330.56
• Base medical/PPO dental	\$12,970.56
• Basic medical/Premier dental	\$10,066.56
• Basic medical/PPO dental	\$9,706.56

Each certificated employee is responsible to pay the difference between the effective premium and the cap. Based upon the effective annual premium shown above and the current cap for eligible certificated employees of \$9,300, the amount each individual employee pays on an annual basis for health care premiums is shown below. The employee contribution to premiums is deducted from eleven pay checks, from October 1, 2010 through September 30, 2011 (no deduction from July warrants). Certificated employee annual contribution to health care premiums:

• Premium medical/Premier dental	\$9,262.56
• Premium medical/PPO dental	\$8,902.56
• Standard medical/Premier dental	\$6,010.56
• Standard medical/PPO dental	\$5,650.56
• Base medical/Premier dental	\$4,030.56
• Base medical/PPO dental	\$3,670.56
• Basic medical/Premier dental	\$766.56
• Basic medical/PPO dental	\$406.56

The current budget includes an expense for non-management certificated staff health and welfare benefit premiums at the \$9,300 cap per eligible employee, effective October 1, 2010.

CLASSIFIED NON-MANAGEMENT EMPLOYEES

Each classified employee had the choice of four different health care plans and two different dental plans, providing a total of eight different combinations from which to choose. Classified health care packages differ from the plans available to certificated

employees. For October 1, 2010 through September 30, 2011, the annual base premiums for the eight plans are as follows:

• Premium medical/Premier dental	\$16,069.20
• Premium medical/PPO dental	\$15,649.20
• Standard medical/Premier dental	\$15,337.20
• Standard medical/PPO dental	\$14,917.20
• Base medical/Premier dental	\$14,401.20
• Base medical/PPO dental	\$13,964.40
• Basic medical/Premier dental	\$10,513.20
• Basic medical/PPO dental	\$10,093.20

The base premium for Blue Cross health care coverage and prescription drug coverage is reduced by 25% for employees who are married to other benefited district employees. It has been agreed that all classified employees who receive health care coverage share any savings resulting from the married-couple premium reduction. In addition, any savings resulting from any plans where the premium is below the District-paid cap, that difference will be shared with eligible benefited employees by reducing the employee's portion of premium payment. Therefore, the aforementioned savings reduces the premium rates for all benefited employees when the premium for the plan they selected exceeds the District-paid cap. Based upon the above base premiums and any savings, the effective premium for October 1, 2010 through September 30, 2011 for each plan is as follows:

• Premium medical/Premier dental	\$15,839.52
• Premium medical/PPO dental	\$15,419.52
• Standard medical/Premier dental	\$15,107.52
• Standard medical/PPO dental	\$14,687.52
• Base medical/Premier dental	\$14,171.52
• Base medical/PPO dental	\$13,734.72
• Basic medical/Premier dental	\$10,283.52
• Basic medical/PPO dental	\$9,863.52

As a result of a negotiated settlement with the classified bargaining unit, the amount of premium paid by the District (i.e., the cap) was increased \$609, from \$9,600 per year to \$10,209 per year, effective October 1, 2006.

Each classified employee is responsible to pay the difference between the effective premium and the cap. Based upon the effective annual premium shown above and the current cap for eligible classified employees of \$10,209, the amount each individual employee pays on an annual basis for health care premiums is shown below. The employee contribution to premiums is deducted from eleven pay checks, from October 1, 2010 through September 30, 2011 (no deduction from July warrants). Classified employee annual contribution to health care premiums:

• Premium medical/Premier dental	\$5,630.52
• Premium medical/PPO dental	\$5,210.52
• Standard medical/Premier dental	\$4,898.52
• Standard medical/PPO dental	\$4,478.52

• Base medical/Premier dental	\$3,962.52
• Base medical/PPO dental	\$3,525.72
• Basic medical/Premier dental	\$74.52
• Basic medical/PPO dental	\$0.00

The current budget includes an expense for non-management classified staff health and welfare benefit premiums at the current cap of \$10,209 for each eligible employee, effective October 1, 2010.

MANAGEMENT

For health care benefits, management staff must “coat-tail” to a plan available to the certificated or classified employees. Management staff had a choice among the options available to the certificated bargaining unit employees. Premiums for health care plans available to management employees are the same as the rates outlined in the Certificated Non-Management Employee section above.

For 2010-2011 the amount of premium paid by the District (i.e., the cap) for management employees is \$9,300 per eligible employee per year. Each management employee is responsible to pay the difference between the effective premium and the cap. The amount of contribution towards health insurance premiums for management employees is the same as shown above for certificated employees.

RETIREE BENEFITS

Retiree health care coverage is specified in contract language and information below is only intended to be a summary and does not replace nor supersede contract language.

Retirees receive health care and prescription medication coverage, excluding dental and vision coverage (retirees can choose to have dental and vision coverage with premiums paid by the retiree). Prior to October 1, 2005, the District paid a composite premium rate for health care and prescription medication coverage for retirees that was the same premium rate as paid for active benefited employees. A composite rate structure provides for one rate regardless of the number of individuals insured in a family. Beginning October 1, 2005, benefit premiums for retirees was based upon a tiered rate structure. Under a tiered rate structure there are three separate rates. One rate if only one individual is covered (i.e., the retiree); another rate if two people are covered (i.e., the retiree and spouse); and a third rate if more than two people are covered (i.e., retiree, spouse and dependent child).

If the retiree has attained the age of 55 and has been employed by the District for a minimum of 8 years as a certificated employee, or 15 years as a classified employee, the District pays premiums for the retiree for up to 10 years, or until the retiree attains Medicare age whichever occurs first. For classified non-management employees hired on or after July 1, 2004, the employee must attain the age of 60 years to be eligible for retiree health care benefits. For certificated non-management employees hired after July 1, 2004, the District will pay premiums for a maximum of five (5) years.

Classified staff meeting the longevity minimum, qualify under the contract and who retire prior to September 30, 2006 are entitled to the higher cost classified health

benefit package with the full premiums paid for the retiree and dependents by the District until Medicare age of the employee not to exceed a maximum of 10 years if hired prior to July 1, 2004, subject to future negotiations. For qualified classified retirees, who retired between October 1, 2006 and September 30, 2007, the District pays for medical and prescription benefit premiums for retiree and dependents not to exceed the active employee cap. For qualified classified retirees, who retire after September 30, 2007 the District will pay the insurance premium for the retired employee only (no dependent coverage) not to exceed the active employee cap. Health and welfare benefits for classified employees are subject to future negotiations.

Certificated staff with longevity of service as outlined above who elected to retire before June 30, 2003 has the higher-cost benefit health and prescription package premiums paid by the District for themselves and eligible dependent(s). Eligible certificated employees who retire between July 1, 2003 and June 30, 2007 will receive the “standard” certificated benefit package for themselves and dependents with premiums paid by the District until the retiree reaches age 65 or qualified for Medicare, not to exceed a maximum of 10 years if hired before July 1, 2004. For qualified certificated retirees, who retire after July 1, 2007, medical and prescription insurance premiums for the retiree only will be paid by the District up to the active cap.

All programs are charged back for retirees’ benefit costs in accordance with generally accepted accounting practices.

1) Other Expenditures and Transfers

Budgeted expenditures in 4000, 5000, and 6000 accounts total \$16,574,142.

Budgeted expenditures in 7000 accounts, other than transfers, total \$656,585.

Budgeted transfers out of the General Fund total \$2,507,827.

The first interim budget reflects a net decrease of \$531,901 in the 4000, 5000 and 6000 accounts. Expenditures from the 4000, 5000 and 6000 accounts are for most expenses not associated with salaries and benefits. Increases in budgeted expenditures are due primarily to carryovers, purchases made prior-year but not received and paid for until the current budget year, increased budgeted expenses resulting from increased budgeted revenue especially restricted Federal and State funding, and transfers made from labor and benefit accounts.

The 7000 accounts, which include direct support and indirect costs, show a net increase of \$255,765 from the July 1st budget.

Budgeted transfers into the General Fund increased \$1,100,000. The net increase is due to the elimination of a permanent transfer of \$1,000,000 from Fund 17, Special Reserve Fund for Other Than Capital Outlay Projects originally budgeted in the July 1st budget and the temporary transfer of \$2,100,000 in from Fund 17 for General Fund cash flow purposes.

Budgeted transfers out include: (1) repayment of temporary cash loan of \$2,100,000 to Fund 17 Special Reserve Fund for Other Than Capital Outlay Projects;

- (2) \$300,000 to the Cafeteria Fund as temporary transfer to meet cash flow needs; and
- (3) transfer of \$107,827 from General Fund to Fund 17 for future E-rate projects.

D. FUND BALANCE, RESERVES

General Fund Beginning Balance (July 1, 2010) was \$ 14,714,954.

General Fund Ending Balance (June 30, 2011) is projected to be \$ 12,800,657.

Total projected General Fund revenue, including budgeted transfers into the General Fund, in the first interim budget is \$87,937,303 and projected expenditures, including transfers out of the General Fund, total \$89,851,600. For the 2010-11 budget year, budgeted expenses exceed budgeted revenue by \$1,914,297 as reported in the first interim budget. When expenses exceed revenue in a given fiscal year, concern is appropriate and careful review is necessary. To lessen the concern for deficit spending in the budget year, listed below are either one-time 2010-11 budgeted expenses or expenses to be paid from prior year carryover not reported as current year revenue but as part of the ending fund balance: 1) \$3,180,292 site and program carryovers from unrestricted funds; 2) \$1,938,756 legally restricted categorical carryover; and 3) \$3,252,746 designated for possible mid-year cuts.

The above totals \$8,371,794. The above identified one-time expenses will be drawn from the beginning General Fund balance and not from current year revenue. Inasmuch as the identified one-time expenses surpass the amount by which total budgeted expenses exceed total budgeted revenue, there is no *net* deficit spending projected at this time.

The District is required to maintain a minimum 3% reserve for economic uncertainties. Calculated on current budgeted expenditures, the minimum required 3% reserve is \$2,695,548. Adding in stores (warehouse inventory) and revolving fund, the total District minimum reserve is \$2,915,548.

The District's General Fund 2010-11 projected ending fund balance of \$12,800,657 exceeds the District's minimum reserve requirement. It is important to understand that the ending fund balance is one-time money and should not be used for any on-going expenses.

Major concern continues about the State of California's budget climate. It is recommended by the Deputy Superintendent that the District use great caution and restraint when increasing expenses, especially on-going expenses.

CRITERIA AND STANDARDS

1. CRITERION: Average Daily Attendance

STANDARD: Funded average daily attendance (ADA) for any of the current fiscal year or two subsequent fiscal years has not changed by more than two percent since budget adoption.

District's ADA Standard Percentage Range: **-2.0% to +2.0%**

1A. Calculating the District's ADA Variances

DATA ENTRY: Budget Adoption data that exist will be extracted; otherwise enter data into the first column for all fiscal years. First Interim Projected Year Totals data for Current Year are extracted. If First Interim Form MYPI exists, Projected Year Totals data will be extracted for the two subsequent years; if not, enter data into the second column.

Fiscal Year	Revenue Limit (Funded) ADA		Percent Change	Status

Provide reasons why the change(s) exceed the standard, a description of the methods and assumptions used in projecting funded ADA, and what changes will be made to improve the accuracy of projections in this area.

Explanation:
(required if NOT met)

Change in 1st and 2nd subsequent years reflects the change in 09-10 P-2 ADA which impacts subsequent years since District is in decline and will be funded on prior year ADA.

8C. Comparison of District Deficit Spending to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD NOT MET - Unrestricted deficit spending has exceeded the standard percentage level in any of the current year or two subsequent fiscal years. Provide reasons for the deficit spending, a description of the methods and assumptions used in balancing the unrestricted budget, and what changes will be made to ensure that the budget deficits are eliminated or are balanced within the standard.

Explanation:
(required if NOT met)

A decrease in the current year net change reflects additional revenue received, a larger prior year carryover than predicted for the original budget and a decrease in budgeted expenditures. 1st and 2nd subsequent year shows an increase in the net change in unrestricted fund balance due to the elimination of the ARRA revenues and the movement of prior year restricted expenditures to unrestricted expenditures.

9. CRITERION: Fund and Cash Balances

A. FUND BALANCE STANDARD: Projected general fund balance will be positive at the end of the current fiscal year and two subsequent fiscal years.

9A-1. Determining if the District's General Fund Ending Balance is Positive

S8. Status of Labor Agreements

Analyze the status of employee labor agreements. Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

F. SPECIAL RESERVE FUND 17.0

The beginning balance was \$16,648,605, an increase of \$238,322 from the July 1st budget.

Beginning in 2001-02, the District deposited money in this fund to mitigate the unfunded liability for retiree health care premiums. Money for this purpose is *designated* in this fund for retiree benefits. Previously, money to mitigate the unfunded liability was placed in Fund 71, the Retiree Benefit Fund. However, due in part to GASB 34 and opinions expressed by a representative from the California Department of Education and by the District's auditor, the Retiree Benefit Fund, being a fiduciary fund, was not the appropriate fund at this time for money designated to mitigate the unfunded retiree benefit liability. Therefore, the District's Governing Board approved on March 13, 2002 and June 12, 2002 to transfer money for mitigation of unfunded accrued liability for retiree health care benefit premiums from the Retiree Benefit Fund to the Special Reserve Fund. Further background information on accrued liability for retiree health care benefits is provided below.

In the past, Education Code 42140 required that if a school district provided health and welfare benefits for employees upon their retirement and those benefits continued after the employee reached 65 years of age, an actuarial study was required to be completed at least every three years to determine the accrued but unfunded costs of those benefits.

More recently, GASB 45 has superseded the requirements of Education Code 42140. The Government Accounting Standards Board (GASB) issued Statement Number 45, Accounting and Financial Reporting by Employers for Post-Employment Benefits Other Than Pensions, which requires public agencies, including school districts, to report their costs and obligations for post-employment healthcare and other post employment benefits (called "OPEBs"). The philosophy behind this rule is that costs of these post-employment benefits should be recognized as a current cost during the working years of an employee (like CalPERS or STRS pension) rather than after they retire. GASB 45

requires school districts to identify and disclose OPEBs as an expense and liability on their financial statements for the first time. As a result, even though Education Code 42140 is no longer in effect, GASB 45 will require school districts to have an actuarial study to determine the unfunded liability for their financial statements. The District had an actuarial study performed in 1997, 2000, 2003, 2006, 2008 and 2010.

Geoffrey Kischuk of Total Compensation Systems, Inc. completed the most recent actuarial study in August, 2010 for fiscal year 2009-10. As reported to the District's governing board on November 10, 2010, the estimated accrued past-service liability for retiree health care benefits was \$10,638,763 as of June 30, 2010. Per the District's unaudited actuals for 2009-10 and approved by the MUHSD governing board on September 8, 2010, the amount designated for the past service retiree liability in the Special Reserve Fund as of June 30, 2010 was \$12,107,796. As a result, the District has overfunded the past service retiree benefit liability by \$1,550,120 as of July 1, 2010.

In the July 1st Budget the District decided to better identify the actuarial accrued liability (AAL) by transferring the entire amount designated for retiree health benefits to Fund 20, Special Reserve Fund for Postemployment Benefits. As a result a transfer out of \$12,107,796 was made to Fund 20. The actuarial study for 2009-10, completed in August 2010, revised the AAL to \$10,638,763.

A Transfer in from the General Fund of \$107,827 was made to increase the designation amount for future technology E-rate projects.

No expenditures can be made directly from this fund. When money in this fund is to be expended, the Board must approve a transfer to place the money in the fund from which expenditures can be executed.

The ending balance is projected to be \$6,117,669 with \$3,890,204 designated for budget stabilization to assist the district in meeting fiscal obligations should projected revenues not materialize and if expenses exceed estimates and/or if unexpected expenses arise. \$677,345 is designated for technology e-rate projects. The savings of \$1,550,120 from the decrease of the OPEB AAL is included in the ending balance projection pending direction from the Board for distribution of these funds.

G. SPECIAL RESERVE FUND FOR POSTEMPLOYMENT BENEFITS 20.0

A transfer of \$10,638,763 from Fund 17 Special Reserve for Other Than Capital Outlay Projects was made to Fund 20 to fund in its entirety the GASB 45 Actuarial Accrued Liability. Revenue for this fund is interest income of \$120,000. A transfer out of \$250,000 was budgeted to offset pay-as-you-go retiree health coverage payments.

H. BUILDING FUND -- BOND PROCEEDS 21.0

The beginning balance was \$9,784,582, a decrease of \$1,669,229 from the July 1st budget.

Revenue is projected to be interest income of \$330,133 and \$24,999,000 from Bonds projected to be sold in early 2011.

Total expenses are budgeted at \$33,312,921.

The projected ending balance is \$1,800,794.

I. DEVELOPER FEE FUND 25.0

The beginning balance was \$3,180,947, an increase of \$853,776 from the July 1st budget. Total budget-year revenue is projected to be \$144,000, an increase of \$129,300 from the July 1st budget. Typically, income in this fund is derived primarily from developer fees and interest income. It is note worthy that projected income from developer fees are significantly reduced due to the continuing slowdown in housing development.

Total expenses are budgeted at \$855,595 no change from the July 1st budget. Budgeted expenses include the cost to rent or lease-purchase 63 portable classrooms. The number of portables at the sites include: 14 at AHS including 6 owned and 8 rented; 16 at BCHS including 6 rented and 3 owned and 7 lease-purchase; 22 at GVHS including 15 rented and 7 lease-purchase; 2 owned at SHS; 11 at LHS including 1 rented and 10 owned; and 27 at MHS including 17 rented, 8 owned and 2 lease-purchase. Budgeted expenses also include a portion of the architectural fees for the expansion of Livingston High School and the new school site, and costs of environmental assessment of both sites. Also any attorney fees associated with developer fee projects and other associated fees with land acquisition or analysis would be paid from this fund.

The ending balance is projected to be \$2,469,352 and is designated for future facility projects.

J. SCHOOL FACILITY FUND 35.0

The beginning fund balance was \$1,116,957, an increase of \$3,019 from the July 1st budget.

Estimated interest income is \$6,400, no change from the July 1st budget.

Expenses are budgeted at \$472,500 for several new construction and modernization projects throughout the District.

The projected ending fund balance is \$650,857 which is designated for future facility projects.

K. SPECIAL RESERVE FOR CAPITAL OUTLAY FUND 43.0

The Board established the *Special Reserve Fund for Capital Outlay Projects* on December 10, 1997. Money in this fund is for capital outlay projects as approved by the Governing Board.

The beginning balance was \$797,025, an increase of \$20,287 from the July 1st budget.
