

All Students
Can
Learn

Growth Mindset-

- The belief talents can be developed and are not fixed.
- TEDx ([4:10-5:31](#))
- SxSW ([36:45-39:30](#))

Do your students believe they can learn?

What institutional or instructional practices might inhibit students from learning?

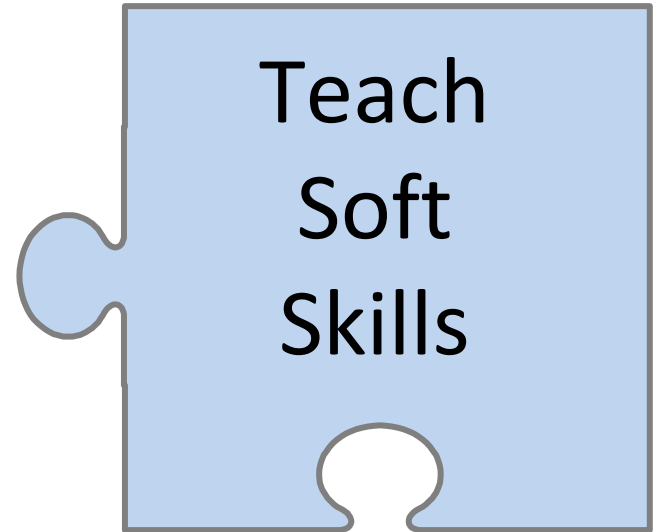

Sometimes the thing that is holding you back...

...is all in your head.

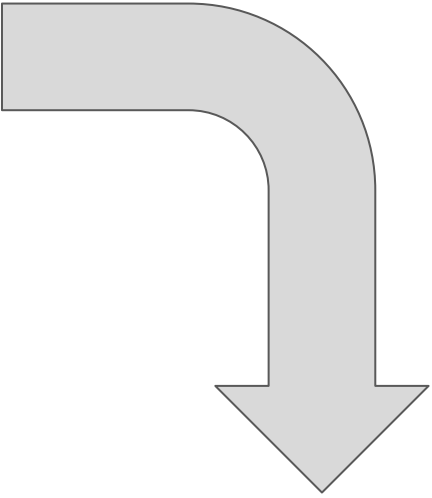

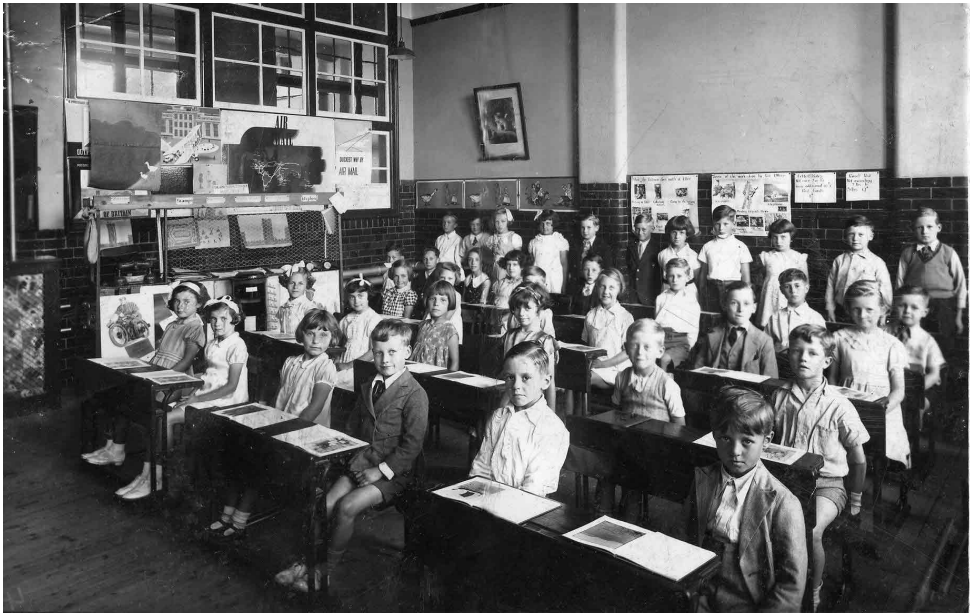

4 Cs NEA Report:

Critical Thinking,
Communication,
Collaboration, & Creativity

- Every school's WASC says we do it (ESLRs/Learning Goals)
- But do we teach it?
- Do we measure it? ([4:55-6:35](#))

Authentic Assessment - changing assessments changes instruction

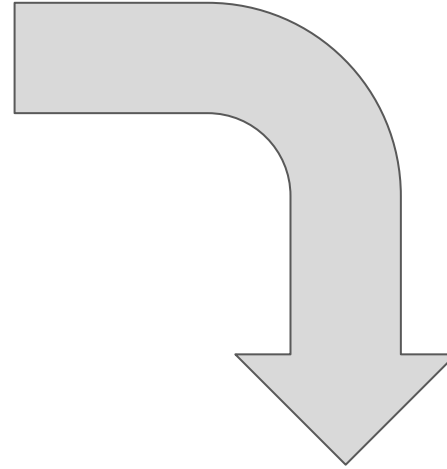

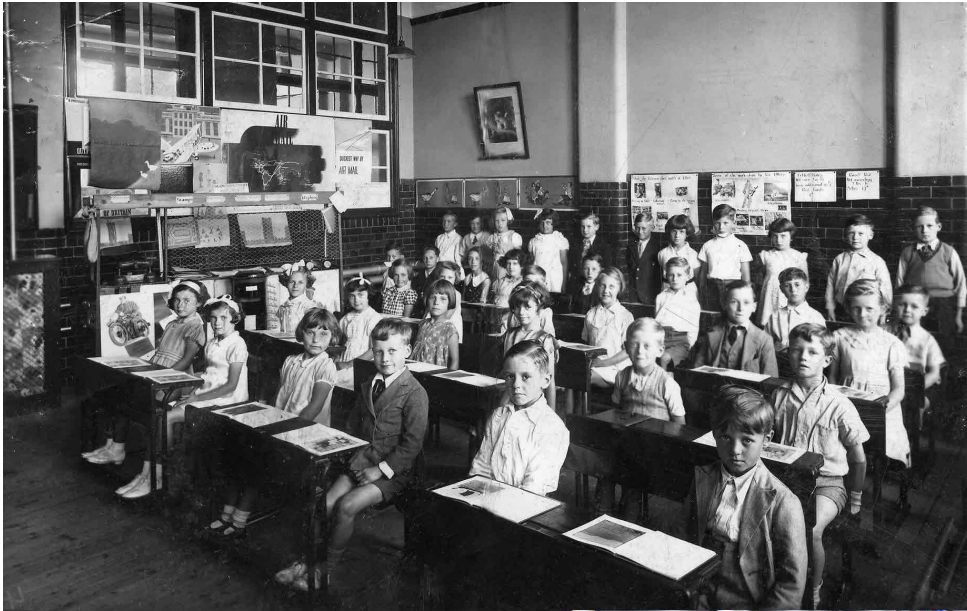

What is teaching? ([6:20-9:45](#))

How will you
facilitate
learning?

- DISCOVERY
(math/science)
- [BIE](#) for PBL basics
- [Primary Sources](#) &
[Simulations](#)
- Gamification &
Personal Learning
- [edX](#) or [Coursera](#)
- [Linked Learning](#)

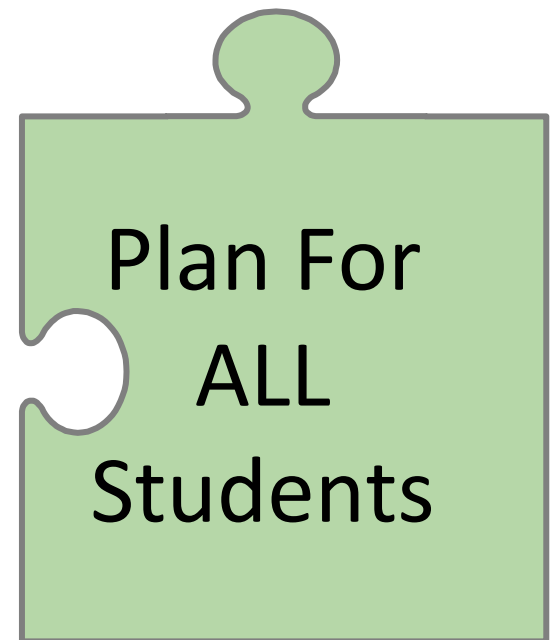

Understanding our students

- Poverty, Trauma & Cultural Competence
- Foster Youth, Homeless, SpEd, Long Term EL

Planning for equitable access:

- Universal Design
- Differentiated Instruction
- Understanding by Design
